**German Open April 10th to 13th, 2003**

In April 2003, the third German Open was held in Paderborn, Germany. Over 120 teams from 11 European countries joined this event that was held in the Heinz Nixdorf Museums Forum. In the Sony Four-legged league (featuring AIBO robots), Darmstadt Dribbling Dackels won in the finals against AIBO Team Humboldt.

**International - RoboCup 2003, July 2nd to 11th, 2003**

This summer, the RoboCup 2003 competition will be held in Padua, Italy. Over 350 teams from universities around the world have registered for this event. In the Sony Four-legged league (featuring AIBO robots), 24 teams will participate. Preparations are already in full swing. The event organisation is expecting over 50,000 visitors.
